### Limited stocks of heaters and dehumidifiers!

MTH Tool Hire have been battling against the weather but have managed to source additional stocks of LPG and diesel fired heaters for the winter. The demand for heaters so early in the year has been significant, but MTH Tool Hire have managed to keep our customers warm with a selection of LPG, diesel and radiant heaters from our extensive range. We have some limited stock left and deliveries to remote or difficult to reach locations are being met using the 4x4 from our Matlock Depot. Thanks to all our customers for their patience during this period of adverse weather and good luck for anyone travelling or still affected by the recent snow
