

# BinWash**RANGE**

The Morclean Bin Wash range features several different models for all your bin cleaning needs. They provide owners and operators with an economical entry into the lucrative bin cleaning market. Not only that, but many models can also be used as both a bin cleaning trailer AND a facility for cleaning patios, decking and driveways meaning effectively you can run two businesses from one machine!

### New developments

We're always looking for new ways to improve our existing products and the Bin Wash range is no different. We listened to what our customers liked, what they didn't like, and what they would improve which is why our products are always moving forward. Here's a little sneak peek of a new development coming soon to the Bin Wash range!
